STEEL ASIA
TIBAY NG PILIPINO

SteelAsia: Building the Philippine steel industry

At a glance

1 Steel sovereignty

SteelAsia's new steel products

Replaces 100% dependency on imported steel worth up to **USD 2 billion** annually in foreign exchange, equal to **4%** of the country's trade deficit.

Shields against global shocks and geopolitical disruptions, ensuring supply for disaster resilience and infrastructure recovery.

2 Decentralized Growth

Steel mills outside Metro Manila and in the provinces

- Disperses economic activity
- Creates up to **6,000 direct employment**
- Creates additional **30,000 indirect employment**
- **80%** of workforce are residents in local communities
- Opportunity for growth in downstream industries

3 Filipino-made green steel

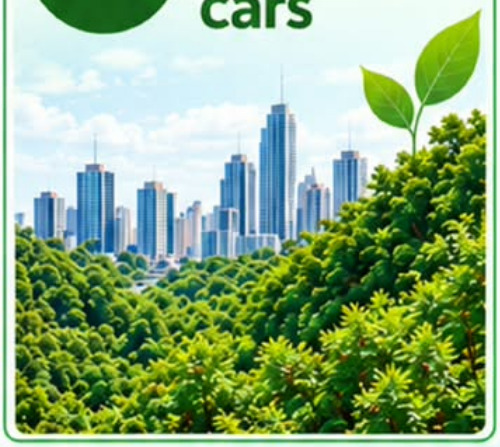

By 2030, SteelAsia's green steel production will be reducing

7 million tons of CO_2 **per year,** equivalent to

Planting 200 million trees

OR

Removing 1.5 million cars

STRONGER ECONOMY | **MORE JOBS** | **A GREENER FUTURE** | **A MORE RESILIENT PHILIPPINES**
